The Message of the Reformation

The five solas: the foundation, the pillars and the purpose of the gospel.

1. Scripture Alone

2 Timothy 3:16-17

God's Word is our highest authority for faith and life. The church moves forward by returning to the foundation God established in the Scriptures.

What decision must I bring under God's Word?

---

2. Grace Alone

Ephesians 2:1-9

We were dead in our sins, but God, rich in mercy, made us alive with Christ. Salvation is an undeserved gift flowing from his love, not from our works.

How will I respond to God's grace today?

---

3. Faith Alone

Romans 4:3-5; 3:27-28

God declares righteous the sinner who trusts in Christ. We receive his righteousness by faith, apart from works of the law; all boasting is therefore excluded.

What am I relying on for peace with God?

---

4. Christ Alone

Colossians 3:11; Hebrews 10:14; 2 Corinthians 5:21

Christ fully satisfied God's justice and paid for our sins. United to him by faith, we receive his righteousness. His single offering is sufficient forever.

What does being united to Christ mean for me?

---

5. Glory to God Alone

Romans 11:33-36; Ephesians 1:5-6

Salvation comes from God, and all glory belongs to him. We were created and redeemed to praise him with our whole lives, every day.

How will I glorify God this week?

REMEMBER

Scripture is the foundation; grace, faith and Christ are the three pillars; God's glory is the roof. Let us remain faithful to the gospel.
