

4 ANCHORS

THAT HOLD US FIRM IN THE STORM

Iglesia Bautista de Málaga

Storms are part of life. In Acts 27, Paul finds courage in God when everyone loses hope. The ship's four anchors (v. 29) illustrate four spiritual sources of support for our lives.

1

OUR RELATIONSHIP WITH GOD

2 Timothy 1:12

Knowing God personally and knowing His character strengthens our trust in times of trial. We nurture that relationship by spending time with Him.

What time will I set aside each day to be with God?

2

THE WORD OF GOD

Matthew 7:24-27

Jesus likens hearing and practising His teachings to building a house on rock. Applying His Word transforms our decisions and relationships.

Which teaching do I need to put into practice this week?

3

THE PEOPLE OF GOD

Ecclesiastes 4:9-12

God gives us a family of faith to pray, encourage and help one another. We can support others and also accept support when we need it.

Who will I support, and whom will I ask for help?

4

THE PRESENCE OF GOD

Acts 27:23-25

God was with Paul during the storm. His presence gives us peace and hope to keep trusting, even when we do not understand what is happening.

What concern will I bring before God today?

JESUS, ANCHOR OF THE SOUL

Our hope in Him is firm and secure. **Is Jesus the captain of your ship?**

Hebrews 6:19-20
